

PROJECT DESCRIPTION

Engage Your Audience with Humor

This project focuses on using humor to enhance the message you deliver in your speech.

Purpose: The purpose of this project is for you to determine your style of humor and apply it to a speech that centers around a central message.

Overview: Give a 5- to 7-minute speech on your point of view and what makes things funny to you. Your speech should include at least one anecdote or story intended to entertain or bring humor into your presentation.

This project includes:

- A 5- to 7-minute speech
